

## T-40G-MM-150M 40Gb/s QSFP+ SR4 Transceiver

#### **Product Features**

High Channel Capacity: 40 Gbps per module Up to 11.1Gbps Data rate per channel Maximum link length of 100m links on OM3 multimode fiberOr 150m on OM4 multimode fiber High Reliability 850nm VCSEL technology Electrically hot-pluggable Compliant with QSFP+ MSA Case operating temperature range:0°C to 70°C Power dissipation < 1.5 W

## Applications

40G Ethernet Infiniband QDR Fiber channel

#### Standard

Compliant to IEEE 802.3ba Compliant to SFF-8436 RoHS Compliant.

## **Ordering Information**

Part Number Product Description

T-40G-MM-150M QSFP+ SR4, 100m on OM3 Multimode Fiber (MMF)and 150m on OM4 MMF

#### **General Description**

T-TECH T-40G-MM-150M transceiver modules are designed for use in 40 Gigabit per second links over multimode fiber. They are compliant with the QSFP+ MSA and IEEE 802.3ba 40GBASE-SR4.The optical transmitter portion of the transceiver incorporates a 4-channel VCSEL (Vertical Cavity Surface Emitting Laser) array, a 4-channel input buffer and laser driver, control and bias blocks. The optical receiver portion of the transceiver incorporates a 4-channel TIA array, a 4 channel output buffer, control blocks.

#### Notes:

1. Connected directly to TX data input pins. AC coupled thereafter.

2. Into 100 ohms differential termination.

| 38  | GND     | Transmitter Ground (Common with Receiver Ground) | 1    |  |

#### Notes:

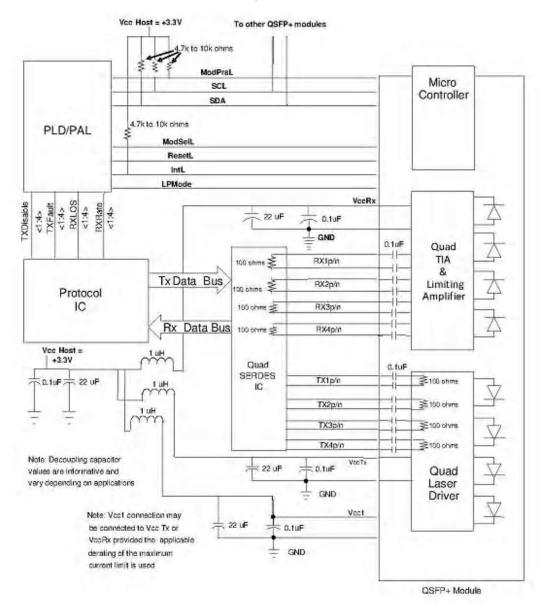

1. GND is the symbol for signal and supply (power) common for QSFP+ modules. All are common within the QSFP+ module and all module voltages are referenced to this potential unless otherwise noted. Connect these directly to the host board signal common ground plane.

2. VccRx, Vcc1 and VccTx are the receiving and transmission power suppliers and shall be applied concurrently. Recommended host board power supply filtering is shown below. Vcc Rx, Vcc1 and Vcc Tx may be internally connected within the QSFP+ transceiver module in any combination. The connector pins are each rated for a maximum current of 500mA.
